GREETINGS, W.A.R.M. READERS!

Please record the books you read this February and rate each one on a scale of 1 - 5. We would also welcome your comments!

- 5) My top pick for the fireside.
- 4) A great read for a cold day.
- 3) I'd probably take it on vacation, but it'd be at the bottom of my bag.
- 2) Only if you are really desperate.
- 1) If it wasn't a library book, I'd toss it in a snowdrift.

Return this log to the Library by:
February 28th
Thank you!
