VIRGINIA SOLE-SMITH

Thursday, April 18th - 7:00 pm (online)

Join us for a **free online** discussion with Virginia Sole-Smith! Virginia's latest book, *Fat Talk: Parenting in the Age of Diet Culture*, investigates how the "war on childhood obesity" has caused kids of all ages to absorb a daily onslaught of body shame from peers, school, diet culture, and parents themselves — and offers research-based strategies to help parents name and navigate the anti-fat bias that infiltrates our schools, doctor's offices, and family dinner tables.
