In what Michael Connelly calls a “thriller not to be missed,” comes the story of Breanna, who’s on a romantic weekend getaway with her new boyfriend, Ty. But when the body of a missing woman the Internet has become obsessed with turns up in the foyer, and with Ty nowhere to be found, Breanna quickly finds herself out of her depth.

**CIRCE**  
MADELINE MILLER

THURSDAY  
FEBRUARY 27TH  
6:00 PM

This novel explores the origin story of Circe (the witch from a number of ancient Greek myths), giving this minor villain her own story. “Miller’s lush, gold-lit novel...paints another picture of a fierce goddess who, yes, turns men into pigs, but only because they deserve it” (NPR.org).
